Donations Matched Through December 31
Empowers Families, Supports Sunbeam Family Services

(OKLAHOMA CITY) – Sunbeam Family Services invites the community to join them in helping empower Oklahomans this holiday season. Through December 31, donations made to Sunbeam will be matched dollar for dollar, up to \$25,000 – thanks to the McLaughlin Family Foundation.

“At McLaughlin Family Foundation, we have an extra-special place in our hearts for the staff and services that Sunbeam provides,” said Kelly Gray, chief executive officer of McLaughlin Family Foundation. “We have chosen to provide grants to Sunbeam every year since we started our Foundation because we value the excellent work they do and appreciate they serve central Oklahomans in need of assistance.”

Donations made to this match campaign help children, families and seniors across central Oklahoma through Sunbeam’s services. The nonprofit’s programs support Oklahoman’s mental health and well-being, prepare infants and toddlers for school and life success, provide safe homes for children in foster care and help grandchildren thrive.

“Your generosity provides life-changing support to our neighbors,” said Sunbeam CEO Sarah Rahhal, LCSW. “Thanks to the match from McLaughlin Family Foundation, your donation has twice the impact. With your partnership, families are connected to a caring team at Sunbeam who empowers them on their journey. Please give what you can this holiday season.”
