# INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Sunbeam Family Services, Inc.
Oklahoma City, Oklahoma

**Report on the Audit of the Financial Statements**

***Opinion***

We have audited the accompanying consolidated financial statements of Sunbeam Family Services, Inc. ("Sunbeam") (a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2025 and 2024, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements (the "financial statements").

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Sunbeam Family Services, Inc. as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sunbeam and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunbeam's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sunbeam's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunbeam's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary statement of activities for the years ending June 30, 2025 and 2024 and the supplementary schedule of state financial awards on pages 22-24, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,* is presented for purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary statement of activities for the years ending June 30, 2025 and 2024, supplementary schedule of state financial awards, and schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 23, 2026, on our consideration of Sunbeam's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Sunbeam's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Sunbeam's internal control over financial reporting and compliance.

***Basis of accounting –*** The accompanying financial statements have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other assets and liabilities. Revenue is recognized when earned and expenses are recognized when incurred.

***Basis of presentation –*** Net assets, revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Sunbeam reports information regarding its financial position and activities as follows:

Net assets without donor restrictions **–** Net assets available for use in general operations that are not subject to donor-imposed restrictions.

Net assets with donor restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

***Cash and cash equivalents*** – For purposes of the statement of cash flows, Sunbeam considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents unless designated for investment purposes.

***Revenue recognition –*** Revenues that have the characteristics of exchange transactions, such as client fees, are not recognized until earned. Sunbeam's earned revenue include a single performance obligation and is recognized at a point-in-time as services are provided. Fees received prior to services being provided are recorded as deferred revenue. Accounts receivable from contracts with customers totaled $38,800, $22,766, and $23,801, at June 30, 2025, 2024, and 2023, respectively.

Federal and state grant revenue is recognized as the expenses to be reimbursed are incurred and the criteria for the grants have been met. Investment income is recognized as earned.

Contributions are recognized as revenues in the period unconditional promises to give are received and are reported as net assets with or without donor restrictions depending on the existence or nature of any donor restrictions. The standards also provide that if the governing body of an organization has the right to remove a donor restriction, the contributions should be classified as without restrictions.

Sunbeam has agreements with third-party payors that provide for payments to Sunbeam at amounts different from its established rates. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered and includes estimated retroactive revenue adjustments and a provision for uncollectible accounts.

***Receivables and credit policies –*** Trade, grants, and contract accounts receivable are uncollateralized obligations generally requiring payment within 30 days from the invoice date. Sunbeam reports patient accounts receivable for services rendered at net realizable amounts from third-party payors, patients, and others. Interest and delinquency fees are not assessed. Discounts allowed for early payment or other contract provisions, if any, are charged against income when the payment is received. Payments of accounts receivable are allocated to the specific invoices identified, if unspecified, are applied to the earliest unpaid invoices. Unconditional promises to give are recognized as revenues or gains in the period received or unconditionally pledged. All unconditional promises to give are considered fully collectible.

The carrying amounts of accounts receivable are reduced by an allowance for credit losses that reflects management's best estimate of the amounts that will not be collected. Management provides for probable uncollectible amounts through a charge to earnings and a credit to the allowance for credit losses based on historical collection trends and an assessment of the creditworthiness of current customers and donors. The adequacy of the allowance for credit losses is evaluated periodically through an individual assessment of potential losses on customer accounts giving particular emphasis to accounts with invoices more than 90 days past the due date. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for credit losses and a credit to trade accounts receivable. Recoveries on accounts previously written off are credited back to the allowance for credit losses. Management has recognized an allowance for credit losses of approximately $144,000 and $57,000 as of June 30, 2025 and 2024, respectively.

***Investments –*** Various investment managers oversee Sunbeam's securities and other investments. Investments are held under a master custodial arrangement by a financial institution. Cash equivalent funds are comprised of short-term, highly liquid investments that are readily convertible into known amounts of cash. Cash equivalent funds, certificates of deposit, mutual funds, corporate bonds, government securities and common stocks are reported at fair value in the accompanying financial statements. Fair values are based on quoted market prices as provided by the financial institution. Realized gains and losses on sales of securities are computed based on specific identification.

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the accompanying financial statements.

***Beneficial interest in assets held by others*** **–** Sunbeam follows the Accounting Standards Codification ("ASC") guidance which requires a not-for-profit organization that transfers assets to a community foundation and specifies itself as the beneficiary to recognize its beneficial interest in the assets transferred (see Note 5). Sunbeam carries its beneficial interest in the assets held by the Oklahoma City Community Foundation, Inc. ("OCCF") and Communities Foundation of Oklahoma ("CFO") at fair value.

***Property and equipment*** **–** Property and equipment are carried at cost or, if donated, at the approximate fair value, based on donor appraisal, at the date of donation. Sunbeam's capitalization threshold is $10,000 for assets acquired with an economic useful life greater than one year. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. The estimated useful lives are three to ten years for office equipment and furniture and fixtures and ten to forty years for buildings and land improvements.

Sunbeam reports gifts of property and equipment as support without donor restrictions unless explicit donor restrictions specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor restrictions about how long those long-lived assets must be maintained, Sunbeam reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

***Concentration of credit risk*** **–** Sunbeam maintains cash in bank deposit accounts which, at times, may exceed federally insured limits. As of June 30, 2025 and 2024, Sunbeam's deposit balances with financial institutions subject to FDIC coverage exceeded such coverage by $10,607 and $0, respectively. See Note 11 for concentrations of credit risk associated with grants receivable.

***Use of estimates*** **–** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

***Fair value measurements*** **–** Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels except for investments measured using Net Asset Value ("NAV") per share as a practical expedient which are exempt from level classification. The following is a brief description of those three levels:

Level 1: Quoted prices in active markets for identical assets or liabilities.
Level 2: Inputs that are derived principally from or corroborated by observable market data.
Level 3: Inputs that are unobservable and significant to the overall fair value measurement.

Financial assets carried at fair value include investments and beneficial interest in assets held by others (see Note 6). Sunbeam has no liabilities carried at fair value on a recurring basis and no assets or liabilities carried at fair value on a non-recurring basis at June 30, 2025 or 2024.

***Compensated absences*** – Employee rights to receive compensation for future absences are recognized in the period such rights are earned.

***Board designated endowment funds*** – Sunbeam adopted the standard "Endowments of Not-for-Profit Organizations" which among other things enhances disclosures for endowment funds maintained by not-for-profit organizations. Sunbeam has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. The endowment assets are to be sufficiently diversified to minimize the risk of material loss. High risk or speculative investments are to be avoided. To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation's board of trustees annually determines the amount of the endowment to distribute to support Sunbeam's operations.

***Functional expenses –*** The costs of providing the various programs and other activities have been summarized on a functional basis in the financial statements. Accordingly, certain costs have been allocated among program services, management and general, costs of direct benefits to donors and fundraising. Management and general expenses include those expenses that are not directly identifiable with another specific function, but provide for the overall support and direction of Sunbeam.

***Income taxes –*** Sunbeam is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, except for any income that Sunbeam generates from an unrelated trade or business which is subject to federal corporate taxes on income. With few exceptions, Sunbeam is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years beginning before June 30, 2022.

***Donated goods and services –*** Donated services are recognized by Sunbeam if they create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically be purchased if not provided by donation. In-kind donations of goods and services are recorded in the financial statements at the estimated value of such goods or services.

Sunbeam also receives significant volunteer services in conjunction with the Head Start and Early Head Start Programs. These services qualify for in-kind matching based on the guidelines of the Department of Health and Human Services programs, but do not meet the requirements for recognition in the financial statements.

Contributed goods are received by Sunbeam in the form of below market property leases. Sunbeam has both long-term and short-term leases that are utilized for program services. See Note 4 for more information on the long-term in-kind property leases.

All investments acquired by donation to Sunbeam shall initially be recorded at their fair market value as of the date of donation. Donated investments shall be recorded as restricted income and net assets based on the existence or absence of such restrictions.

***Subsequent events*** – Sunbeam has evaluated subsequent events through February 23, 2026, which is the date the consolidated financial statements were available to be issued. There are no subsequent events requiring recognition or disclosure in the accompanying consolidated financial statements.

## 2. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

| | 2025 | 2024 |
|---|---|---|
| Cash and cash equivalents | $ 879,448 | $ 1,188,356 |
| Receivables: | | |
| Trade | 75,695 | 22,766 |
| Grants and contracts | 3,166,749 | 3,700,904 |
| Contributions receivable (due in less than one year - see note 3) | 994,531 | 1,117,506 |
| Investments | 7,849,244 | 7,158,803 |
| | $ 12,965,667 | $ 13,188,335 |

In addition to financial assets available to meet general expenditures over the next 12 months, Sunbeam operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures. Sunbeam receives contributions restricted by donors, and considers contributions restricted for programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. Sunbeam manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

Assets designated for endowment (see Note 7) are available for use at the discretion of the board of directors.

## 3. CONTRIBUTIONS RECEIVABLE

At June 30, 2025 and 2024, contributions receivable are considered fully collectible and are due as follows:

| | 2025 | 2024 |
|---|---|---|
| Due in less than one year | $ 994,531 | $ 1,117,506 |
| Due in one to five years | 35,132 | 55,220 |
| | $ 1,029,663 | $ 1,172,726 |

At June 30, 2025 and 2024, contributions receivable totaling $930,624 and $1,099,624 were from one and two donors, respectively.

## 4. PROPERTY AND EQUIPMENT

Property and equipment are summarized as follows at June 30:

| | 2025 | 2024 |
|---|---|---|
| Building and improvements | $ 20,359,825 | $ 20,192,946 |
| Building lease | 4,698,867 | 5,297,853 |
| Office equipment | 1,965,057 | 2,136,241 |
| Construction in progress | 1,066,233 | - |
| Land | 871,796 | 871,796 |
| | 28,961,778 | 28,498,836 |
| Less: accumulated depreciation | (9,540,286) | (8,591,650) |
| Net property and equipment | $ 19,421,492 | $ 19,907,186 |

Depreciation expense for the years ended June 30, 2025 and 2024 totaled $1,164,522 and $1,353,338, respectively.

***Building leases*** – Effective September 1, 2019, Sunbeam entered into a lease agreement with Independent School District No. 89 of Oklahoma County to lease the Pierce Elementary School building located at 2701 S. Tulsa Ave, Oklahoma City, Oklahoma for use as an early childhood services center. This lease was terminated during September 2024. Upon termination, Sunbeam entered into a new lease agreement with Independent School District No. 89 of Oklahoma City for the same location, with an initial term of five years and a renewal option for an additional five years. Annual payments under the new lease are $12,000, which has been capitalized in accordance with ASC-842 (see Note 15).

Effective July 1, 2021, Sunbeam entered into a similar lease agreement with Independent School District No. 89 of Oklahoma County to lease the Edwards Elementary School building located at 1123 NE Grand Blvd, Oklahoma City, Oklahoma for use as an early childhood services center with an initial term of five years and a renewal option for one additional five-year period at the discretion of Sunbeam. The annual rent for this lease is $12,000 for the first term and $18,000 for the second term, which has been capitalized in accordance with ASC-842 (see Note 15).

As the fair market rental value of the buildings exceeds the fixed rent, Sunbeam has recorded a long-term contribution receivable, which is presented in the accompanying statements of financial position as property and equipment and shown in this footnote as building lease. The fair value of the

contribution receivable was established based on the market value of the leases above the contracted rate at the date of contribution. The lease agreements state that any improvements made to the property will become the assets of the landlord upon termination of the lease agreements.

Amortization expense of the above long-term building leases totaled $1,032,407 and $969,375 for the years ended June 30, 2025 and 2024, respectively, and is recognized as occupancy expense in the accompanying statements of functional expenses and as a direct reduction of the building lease asset balance included in the above table.

## 5. COMMUNITY FOUNDATION FUNDS

Sunbeam is the designated beneficiary of donor advised funds at Oklahoma City Community Foundation ("OCCF"), Communities Foundation of Oklahoma ("CFO"), and Tulsa Community Foundation ("TCF") (collectively referred to as the "Community Foundations"). These funds were contributed to the Community Foundations by Sunbeam and other third-party contributors. The Community Foundations have variance power over all contributions. Sunbeam follows the standard, "Transfers of Assets to a Not-for-Profit Organization or Charitable Trust That Raises or Holds Contributions for Others" to account for these funds. Assets transferred by Sunbeam remain on the statements of financial position as beneficial interests in assets held by others. Contributions from third parties are disclosed below, but not recognized as assets of Sunbeam. Sunbeam receives a distribution from funds held at OCCF and CFO each year based on a percentage of the average fair market value of the funds over the previous eight quarters. Distributions are received from TCF as determined at the discretion of the donors.

The balance of the funds as of June 30, 2025 and 2024 was as follows:

| | 2025 | | 2024 | |
|---|---|---|---|---|
| | Beneficial Interest in Assets Held by Others | Donated by third parties (disclosure only) | Beneficial Interest in Assets Held by Others | Donated by third parties (disclosure only) |
| OCCF | $ 296,546 | $ 411,523 | $ 274,149 | $ 384,507 |
| CFO | 57,418 | 13,250 | 51,453 | 12,498 |

The following methods and assumptions were used to estimate the fair value of assets and liabilities reported at fair market value in the accompanying financial statements.

*Investments*: Where quoted market prices are available in an active market, investments are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of investments with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such investments are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, investments are classified within Level 3 of the hierarchy.

*Beneficial interest in assets held by others*: The fair value of Sunbeam's beneficial interest in assets held by others is based on the fair value of fund investments as reported by the Community Foundations. These are considered to be level 3 financial assets.

## 7. BOARD DESIGNATED ENDOWMENT FUNDS

As of June 30, 2025 and 2024, the board of directors has designated funds held in the Foundation and beneficial interest in assets held by others as endowments to support the operations of Sunbeam. Since the endowments resulted from an internal designation and are not donor-restricted, they are classified as net assets without donor restrictions.

Composition of and changes in board designated endowment net assets for the year ended June 30, 2025 and 2024, is as follows:

| | 2025 | 2024 |
|---|---|---|
| Endowment net assets, beginning of year | $ 2,513,438 | $ 2,098,109 |
| Investment return | 258,512 | 232,628 |
| Contributions | 602 | 189,203 |
| Appropriation of endowment assets for expenditure | (8,653) | (6,502) |
| Endowment net assets, end of year | $ 2,763,899 | $ 2,513,438 |

## 8. NOTES PAYABLE

***Line of Credit*** – Sunbeam entered into a $4,000,000 revolving line of credit with a financial institution on March 29, 2025. Borrowings under the line are subject to a variable interest rate equal to the Wall Street Journal U.S. prime rate with a floor of 4.75% (6.822% as of June 30, 2025). This loan is collateralized by mortgage of real property and assignment of rents. Repayment of all outstanding principal plus all accrued unpaid interest is due at maturity on March 28, 2026. There was no outstanding balance as of June 30, 2025 or 2024.

## 9. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted for the following purposes or periods:

| | 2025 | 2024 |

| Other pledges | 16,311 | 25,271 |
| Total net assets with donor restrictions | $ 8,720,664 | $ 10,130,225 |

## 10. EMPLOYEE RETIREMENT PLAN

Sunbeam provides a defined contribution retirement plan for their full-time employees and other part-time employees over 21 years of age who work more than 1,000 hours in one year's time with one year of uninterrupted service. Employees may contribute to the Plan up to the maximum excludable IRS allowance. Sunbeam contributes a matching contribution on all employees' deferrals as defined by the plan and may make a non-elective contribution allocated uniformly based on eligible compensation. Employer contributions on behalf of individuals are fully vested when the employee completes three years of service. Sunbeam's contribution to the plan for the years ended June 30, 2025 and 2024 was $397,036 and $320,541, respectively.

## 11. ECONOMIC DEPENDENCY

Sunbeam receives a significant portion of its revenue from funds provided through multiple federal and state grants. The grant amounts are appropriated each year at the federal and/or state level. If significant budget cuts are made at the federal and/or state level, the amount of funds Sunbeam receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds Sunbeam will receive in the next fiscal year. Significant concentrations include funding received for the Head Start and Early Head Start programs which totaled $16,798,938 and $13,735,852 during the years ended June 30, 2025 and 2024, respectively. Grants receivable from Head Start and Early Head Start programs totaled $2,250,838 and $2,595,456 at June 30, 2025 and 2024, respectively.

## 12. COMMITMENTS AND CONTINGENCIES

In the normal course of operations, Sunbeam receives contract funds from various federal and state grantor agencies. The programs are subject to audit by the granting authority, the purpose of which is to ensure compliance with conditions imposed by the granting agency. Any reimbursement, which may arise as the result of the audit of contract funds, is not believed to be material.

## 13. IN-KIND CONTRIBUTIONS

For the years ended June 30, 2025 and 2024, contributed nonfinancial assets recognized within the consolidated statements of activities included the following:

| | 2025 | 2024 |
|---|---|---|
| Building lease | $ 912,387 | $ 439,707 |
| Professional services | 52,362 | 49,998 |
| | $ 964,749 | $ 489,705 |

As discussed in Note 4, Sunbeam receives in-kind contributions in the form of discounted rent. This rent is recognized at fair value based on current rates for similar properties.

Contributed professional services include legal services provided by attorneys who advise Sunbeam on various administrative legal matters. Grant writing and accounting services are also contributed to Sunbeam. Contributed professional services are used for management and general activities and are recognized at fair value based on current rates for similar services.

## 14. FUNCTIONALIZED EXPENSES

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include compensation expenses, professional services, office supplies and postage, communications, printing and publications, transportation, and conference and training, which are allocated on the basis of estimates of time and effort. Occupancy and insurance expenses are allocated on the basis of estimates of time and effort and square footage.

## 15. LEASES

Sunbeam has leases for office space and equipment which were evaluated to be operating and short-term leases. Sunbeam assesses whether an arrangement qualifies as a lease (i.e., conveys the right to control the use of an identified asset for a period of time in exchange for consideration) at inception and only reassesses its determination if the terms and conditions of the arrangement are changed. Leases with an initial term of 12 months or less are not recorded on the statement of financial position. Lease expense is recognized for these leases on a straight-line basis over the lease term.

The leases have remaining terms of 0-6 years. Leases that include options to extend are included in the lease assets and liabilities once they are determined to be likely.

The operating leases do not provide an implicit rate; accordingly, Sunbeam uses the borrowing rate based on the risk-free borrowing rate at the commencement date in determining the present value of lease payments.

The components of lease expense for the years ended June 30 were as follows:

| | 2025 | 2024 |
|---|---|---|
| Operating lease cost | $ 27,700 | $ 29,537 |
| Variable lease cost | - | - |
| Short-term lease cost | 23,052 | 30,663 |
| In-kind office leases | 1,511,373 | 1,409,082 |
| Total lease cost | $ 1,562,125 | $ 1,469,282 |

Supplemental cash flow information related to leases for the years ended June 30 were as follows:

REPORTS REQUIRED BY
*GOVERNMENT AUDITING STANDARDS*
AND THE UNIFORM GUIDANCE

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Sunbeam Family Services, Inc.
Oklahoma City, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Sunbeam Family Services, Inc. ("Sunbeam") (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 23, 2026.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the consolidated financial statements, we considered Sunbeam's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Sunbeam's internal control. Accordingly, we do not express an opinion on the effectiveness of Sunbeam's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Sunbeam's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an

objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

**Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Sunbeam's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Sunbeam's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
Sunbeam Family Services, Inc.
Oklahoma City, Oklahoma

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited Sunbeam Family Services, Inc.'s ("Sunbeam") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Sunbeam's major federal programs for the year ended June 30, 2025. Sunbeam's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Sunbeam complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

***Basis for Opinion on Each major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United State of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United Stated and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Sunbeam and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Sunbeam's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statues, regulations, rules, and provisions of contracts or grant agreements applicable to Sunbeam's federal programs.

***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Sunbeam's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements

referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about Sunbeam's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Sunbeam's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Sunbeam's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Sunbeam's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

**Report on Internal Control Over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
