

Blasting Off into 2026!

We're blasting into 2026 with STEAM activities that spark curiosity, creativity, and big imaginations in our little learners! From space-themed play to hands-on experiments that inspire problem-solving and discovery, children are diving into experiences that build confidence and support early development.

Thanks to our friends at **OG&E**, that curiosity extends beyond the classroom through hands-on activities that connect the classroom to home, offering families even more opportunities to explore, create, and engage together. We're excited for all the discovery and imagination the new year will bring!

Thank You for Helping Us Meet Our Match

Thanks to generous donations from our community, Sunbeam reached the $100,000 match sponsored by the **McLaughlin Family Foundation** and **Michael Adams**.

This collective investment unlocked the full match, and together nearly $280,000 was raised to help build brighter futures with all children and families. Sunbeam is grateful to be part of a community that strengthens connection, trust, and hope—together.

Sponsor Shine a Light

Join Sunbeam Family Services in lighting the way for Oklahomans at the 12th annual Shine a Light event, with chairs **Jenny and Lincoln McElroy**. Enjoy dinner, drinks, and inspiring stories of hope as we also celebrate 2026 Aspire Award Recipients **David and Jean McLaughlin** for their dedication to helping build brighter futures with all children and families in Oklahoma.

Martin Luther King Jr. Day Parade

Sunbeam was proud to sponsor and participate in the 2026 OKC MLK Alliance parade. Thank you to everyone who showed up with kindness, joy, and courage. Your presence reflects the spirit of connection and equity that Dr. King dreamed of, and the work we carry forward everyday at Sunbeam.
